Alexandria, VA 22314

Sir:

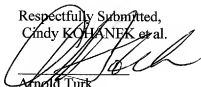

Upon review of the Determination of Patent Term Adjustment under 35 U.S.C. 154(b) mailed with the Notice of Allowance on August 16, 2010, it is noted that the patent term adjustment of 364 days appears to be longer than appropriate. Applicants assume that, in accordance with MPEP 2733, the Patent and Trademark will correct this apparent error in the patent term adjustment when processing the application for issue. In this regard, the issue fee has been paid on November 12, 2010.

The Patent and Trademark Office is hereby authorized to charge any fee necessary for entry and/or consideration of this paper to Deposit Account No. 19-0089.
